|-----------------|---------------|----------|-----------|-------|
| 1 RAC-76461CT * | 17 oz Aerosol | Uncented | 6 CT      | 72.27 |

\* Complies with the VOC (Volatile Organic Compound) limits, including California; Complies with TSCA regulations; Complies with all various state phosphate regulations; NSF Category Code A7.

## boardwalk

**B Stainless Steel Cleaner & Polish** Cleans and polishes stainless steel, chrome, copper, aluminum, brass and other metal surfaces. Water-in-oil emulsion formula means the product acts like a solvent (oil based) without the oiliness or flammability. Pleasantly fragranced polish cuts through oil and grease while leaving a protective shine. Contains no chlorinated solvents or ozone depleters.

## MISTY

**C Painless Stainless Steel Cleaner** Stainless steel cleaner is a creamy foam, water-based formula used for cleaning and polishing stainless steel, chrome, Formica®, copper, aluminum, brass and other hard surfaces. The water-in-oil emulsion, where the oil surrounds the water and contacts the surface to be cleaned first, allows the product to act like a solvent (oil-based) system without the oiliness or flammability. Pleasant lemon fragrance cuts through grease and oil while leaving a protective shine, and is ideally suited for use in food preparation areas, where the odor of mineral spirits and aromatic solvents would be objectionable. 360° valve.
